¹ To qualify for Lower Rate Landfill Tax, the material must consist entirely of qualifying material in The Landfill Tax (Qualifying Material) Order 2011 and are subject to the requirements of LFT1 (both as may be amended from time to time). We reserve the right to verify the Waste to ensure any material satisfy these requirements and the Site's decision is final as to the waste classification (in the absence of fraud or manifest error). The producer and haulier of the Waste are jointly and severally liable for any additional charges should the Waste not be as described (including, without limitation, and increase in landfill tax, additional gate fees and costs of verification – please see the Site's terms and conditions for full details)
